#### Release Notes:

Alec Troniq continues his impacting Uncrufter series on IPOLY with a new improved formula – model number 2000. *Fauxpas* on A-side elates for a thorough spring-cleaning and teases out a positive temper for the coming season. For *Kallewürsch!* on B1 he picked up some cuckoo grooves by *Ka.rambolage* and goes berserk with em. Subsequently Mr. Troniq takes possession of the tube on B2 and haunts the place with pounding announcements.

The official Uncrufter 2000 video works are coming from *Devon Miles* (for *Fauxpas* & *Tubophilia*) and *Retina Error* (for *Kallewürsch!*), which can be found on:
