Kia ora to Ipolynesia! The electronic island where shakin' coconut grooves and flowin' melodies are served round the clock by some beautiful islanders right on the sandy shores. And for this record the two castaways Bunched (Grain Audio, Mangue) and Tinush (Ton Liebt Klang, Ostfunk) were washed up on the sandy, white shores of Ipolynesia to spread some danceable tunes for sunny days and sweaty nights. And look there: Our natives Alec Troniq and Mentalic also just climbed down the palm trees to mix some shakes for the castaways. And their sound fits just like the girls who dance to it. So see you all on Ipolynesia. Kia ora and koutou katou!
