4Clubrecords presents with the 4CRV003 a new release from Felix Bernhardt. The typical Bernhardt sound on this "Treib Dings EP" is a framework of thick and wired sounds, programmed in dark Groove sequences. This building is based on a sonic bass- bunker, which delivers tons of baselines to the dance floor. Mr. Bernhardt at his best. On top you get two stamping remixes from good old fellas. The guys from Blaues Licht delivered a dirty minimal remix of "Rums di bums". Ronan Dec worked on "Treib Lust" and gives us with his remix a massive Groover. Get your copy now!
