Release Notes:

ANCIENT FUTURE RECORDS shares its first outing through the incarnation of the KILUNGA EP. Facing the future, but remembering all things that have been, we are focussed on the universal presence, the eternal here and now. Four tracks by four artists guide us through this constant state of nowness. First up is FOXDEVILSWILD, whose "Steppenwolf" rides on through endless mystic plains at a leisurely pace. PHILIPP FEIN then carries on with "Cogitatio", a deep reflection that will not only touch our minds, but even more so our bodies. The flipside brings us JOHANNES KLINGEBIEL's muzzy "You", which lulls us into some more enigmatic spheres. The mysterious duo ALMA & MATER eventually kick us back into razor-sharp clearness, by making our minds clap in the most groovy of ways.
