Release Notes:

Alessandro Crimi's Quantum Realm is the much-loved dub techno track appeared on our last Etui Winter Camp 2 compilation. Long term Etui Records label artist and Abstract Animal founder Monomood delivered 2 massive remixes for this track.

With the first edit he turns the track into a floor orientated techno trip while his 2nd edit offers a more dub vibe with stunning echoes. On the flip side Switzerland based producer Alessandro Crimi shows his love for laid-back techno sound with his Space Cocktail. Etui Records label head Insect 0. added some shuffling grooves, dub deepness and analogue flavor in his remix to work well on the dancefloor and even at the beach bar.
