Release Notes:

Cologne based FEINES TIER imprint presents the second catalog number with ALEJANDRO CASTELLI from Berlin. His NATURAL EP features two original tracks which go by the the name of *Peru* and *Natur*. Co-producer is a well known traveling man called NU. Peru is a stomping up tempo piece of sweeping music that blows you off your dirty dancing feet. The second title Natur slows us down a bit and makes us dream of long and warm summer days. It contains a heartwarming vocal sung by his grandma and combines classical South American sounds with a catchy tune. On the flip side you'll find hip shaking remixes by Dutch live animal SATORI and a lovely couple from northern Germany called JUST EMMA. The cover picture is painted by visual artists Zosen Y Mina from Barcelona/Tokyo.
