Release Notes:

Ninze & Okaxy's "Blurry Mind", a frame of their impressions & work, as sine qua non for every listener, and a memory of all their travels over the past year. For the last half a decade NINZE & OKAXY have been establishing a significant and experimental sound, self-branded Ketapop, by creating a spherical, yet melancholic atmosphere with a distinctive deepness and complex sound patterns. As part of the Laut & Luise family, and working their magic with side-project WIDE AWAKE. The Blurry Mind EP contains three unreleased tracks and plus the Soundcloud hit Four that is now officially published.
