Release Notes:

HIKE: Cristal clear lakes, impressive mountains, soothing forests and Berlin techno music.
The Hike 007 Vinyl comes from SCHMUTZ, rooted in Belfast. Belfast is Northern Ireland's capital. It was the birthplace of the RMS Titanic, which famously struck an iceberg and sunk in 1912. This time we present you the Divis Ridge Trail. The Divis Ridge Trail is an approximately four-mile walk from the Long Barn to the Black Mountain and the Mourne. The route overlooks Belfast, with a 180-degree view of the city on one side, and of the Mourne on the southern side. Spot birds of prey, like peregrine falcons, along the way.
