Release Notes:

Cause we love Vinyl..... Here is the first Vinyl from the Label JACKFRUIT RECORDINGS, a new label founded in 2017. Label Owner is the Berlin based Artist, DOMPE, known for good arranged House Sounds. He releases a lot, a real creative mind. Four handmade tracks can be found on the Vinyl.

THE JOKER: Do you need a Joker? Deep and warm Techhouse-Bassline So who is you favourite Buffoon now? Risky grinning attitudes sounds you have to hear loud. After that bomb it's time for an new experience: It's time to Boogie. 1,2,3,4 what are you waiting for? Move your Body to the Groove.

CRY: snappy sounds, a necessary amount of percussions and a beat that makes you teeter along.

FREE BIRD: Here are some very new House Beats for you! It is really time for some spring feelings, so the sounds go fresher! And it feels like hearing the bird singing, sitting in the sun meanwhile. Real Groove comes through your Speakers - turn is loud! Percussions make you hooo. So shake your body once again and dance until the spring is coming.

JACK BROWN: Hey Sweetheart you are such a hot fruity! Another brilliant cooperation between AGENT! and DOMPE and as it is common: never change a winning team! These both guys living in Berlin are not only Friends; they got a perfect match with their sounds and ideas. Soundaholics with playful whims in their heads. There is a rumour that JACK BROWN gives his Name to JACK FRUIT. Not really just kidding. JACK BROWN makes you dance, drags u to the middle of the floor. Charming Bassline, Vocal and a direct urge for snipping your fingers.
