Danish Djuma Soundsystem teams up with Italian Aki Bergen and they get showered in spoken poetry by none other than South African Lazarusman. The reciepe is already there and looking good, but even better......It sounds GOOD too. 2 different versions from 2 great producers. Aki Bergens version is very driving, electronic and suitable for the primetime and late night hours. Djuma Soundsystem serves the more organic and deep version for the warm up hours and small intense clubs.
