**Release Notes:**

Magic sometimes happens with the wonders of the internet and digital age of the music industry. Lost Again is a great example of just that. The project started in Baltimore by Lomez and the singer Symbol. Then travelled to Florida to get the touch of Atnarko and ended up in Noir's hands (and studio) in Denmark before the beautiful song reached it's end result.

The package comes with a Raw Club Cut aimed for the tech house floors, a James Welsh (Hypercolour, Join The Dots) Remix for the UK beats and bass approach and a deeper 303 led techno journey done by German Patrick Chardronnet (Connaisseur, Poker Flat).
