**Release Notes:**

Marc DePulse makes his single debut on Noir Music with the long awaited "No Need To Worry". The fantastic vocals are written and performed by NM favourites Hollis P Monroe and Overnite. Soulful vocals on top of chunky beats and the heavy basslines that have become Marc DePulse's trademark. Both Original Mix and the Club Re-Rub will have the soundsystems working overtime trying to keep up.

Remixes comes courtesy of Fred Everything who turned the track into another "Lazy Days" classic and timeless sounding record and Camea who takes us on the German journey to the underground floors.
