Release Notes:

Noir & Hayze are back with another collaboration after almost 3 years.

As with anthemic 2011 smash 'Around', 'Angel' sees Noir and Hayze join forces to unique effect, with the pair combining to produce another surefire slice of dance floor gold that sidesteps current trends with confidence.

Like 'Around', there is a deep message and meaning that resonates through the vocal and, as with many of Hayze's songs, it screams the sincere emotion both listeners and ravers alike will relate to. It builds with sharp percussive inclination before coming alive as deep, rolling bass and glistening synth lines intertwine with an unerring, infectious charm.

Hayze's vocal sits perfectly amidst the track's relentless, thudding energy too and adds weight to the series of stunningly worked crescendos that give 'Angel' all the anthemic weight required to make a serious impression in the clubs.
