## **Release Notes:**

Those lovely chords, that growling bassline combined with Nancy Sinatra-esque vocals and one big tease and build. That's what makes this track a true stand-out and sound like nothing else in club-land right now.

Thomas Schumacher and Caitlin surely made magic happen between them and this track was an instant "sign now" reaction from Noir Music. The remixes are done by Dustin Zahn with an oldschool detroit techno route and new talent Denite who keeps the original feel but with a more house-dub edge to it.

If you want something special for your sets....This is the one.
