Release Notes:

"Love" is without a doubt the most talked about release on Noir Music in 2015 so far. Ever since Noir premiered this in "Noir Recommends" podcast back in February the buzz has been getting bigger and bigger and bigger and.... Its understandable..... This is simply a beautiful song and amazing collaboration between Eagles & Butterflies (Innervations, Get Physical) and super talented singer/songwriter J.U.D.G.E. Its one of those rare standout tracks you might come to love and treasure for the rest of your life. No more words necessary.... hit play and let the music do the talking.
