Release Notes:

This is the first in a series of many coming from Noir Music. The series is called "RMX" and its basically back catalogue tracks in new clothes done by some of our favourite producers.

Number one in the series contain 4 superb remixes by NiCe7, Nicolas Maseyeff, The Glitz and Lee Van Dowski & Dean Demanuele. This remix EP leans toward the techier side of house as the remixers show their floor functional excellence and hq production skills.
