Release Notes:

We are proud to present Christian Nielsen's debut release on Noir Music. Noir and Christian has been friends for many years and therefore we have been following the Danish talent closely and waited for the perfect time and the perfect tracks to create his first release on the label. So....here it is.....
"Over and Over" sits right in between tech and techno with those irresistible vocals that's become Christian's signature. On "Speeding" Mr. Nielsen digs a little deeper and the result is a fantastic techno-groover which roots back to early Detroit underground. We recommend you give in and play both.
