#### Release Notes:

This 4-tracker from Spanish Affkt might quite simply be his best release to date. I have always admired his different and quirky productions and as the followers will know we have released tracks with Affkt before. This time me and Marc (aka Affkt) went deep into A&R'ing the release to make sure all tracks reached their full potential. Tracks have been added and removed from the release over time. The tracks have been re-arranged, adjusted, revisited over a period of 9 months time (yes thats how much time we spent carefully putting this release together and making sure it was perfect). I am really proud of what Marc accomplished with this release on Noir Music. All 4 tracks work really well in the clubs and they each have a very strong Affkt signature which I wont bother describing in detail by words but rather have you listen to these amazing Squared pieces.
