Release Notes:

Thomas Schumacher is finally back on Noir Music with another outstanding 2-tracker.
Over the years me and Thomas have become great friends as we click on so many levels and share the same taste in dark, melancholic and emotional music. I have been a big fan of Thomas' music for many years and i am still a great supporter of his productions today so obviously i am honored to release his music on my label again.
On these 2 tracks Thomas has recorded 2 authentic and raw tracks with a no holding back, zero bulls*** attitude. You can hear the "no formular" approach on both and i love that. We had an honest and creative back and forth A&R process on both tracks before and after testing them in the clubs and this has given both a unique and fresh techno sound.
This is Thomas Schumacher's natural rhythm.
