Release Notes:

The amazing Mira & Dima & Nu (Katermukke) Remix now on Vinyl – remastered ! Labelhead 'Sascha Kloeber' comes again with empathetic melodies serving deep feelings on the floor. This time with a lot of his vocals, melodies, details and bass again. "Do you really think life is like a bitch that you can fuck without to pay ?"

"The People" is more house and dub sounding. Easy... "We are the people we have been waiting for" ! On the other side the bar25 newcomer Mira, Nu and Dima shows how to groove and going lost on the floor. "Think about you all the time!". Digital released on KATERMUKKE03 now served fresh and remastered on vinyl !
