B1	No More Funk	Listen

B2	Kicking Up	Listen

Release Notes:

Soul Pattern is the name of Mac-Kee's new vinyl label. It's synonymous with the musical focus on different spheres of house, especially RAW house and Chicago house, in which the art of the DJ is rooted since the early 1990s. But anyone who thinks, that the label will be limited by following a pattern like scheme, is very much mistaken! Rather Soul Pattern wants to reinvent itself with every release.
