Release Notes:

After his vinyl debut "Oktrosis" on Etui Monomood spreads ones again his love for techno. In the same way the paradox title "Love, Dub & Machine Wars" may confuse on his new EP the sounds will take the listener on a diversified travel through his essential techno style. „Nina" shows Monomoods sensitive and thoughtful perception of electronic dance music. Deep chord sounds and a wonderful dreamy pad are making your eyes water not only on Sunday mornings at a festival. „Absolute Control" on the b-side is presenting a quite different manner. Deeply rooted in the techno business of the end 90's, Monomood can't deny his origin. What you can always hear in his energetic DJ Sets now has found its way on a record – peak time Techno with a raw attitude. With „Coming Home" Monomood closes the circle and claiming dub techno-rhythms are meeting a highly fragile pad construction finding its home somewhere between desperate euphoria and blissful melancholy.
